Subject New Workers Compensation Form

Dear Ladies and Gentlemen:

It has come to my attention that there is a new form for individuals who do not require workers compensation.

The old form was WC/DB-100 (9-07) and this form will be completely replaced by form CE-200 (12/2008).

The new form can be accessed online by going to www.wcb.state.ny.us. Click on the link on the bottom right hand corner "WC/DB Exemptions".

Then, "Request for WC/DB Exemption".

The good news is that this form can be completely submitted online, it does not require a notary or stamp from the WC Board. The bad news is that if they do not have access to the internet, the form will take about four weeks to get. They can request the paper form by calling the workers compensation board at 1-866-750-5157.

Also, one of the advantages of the electronic form is that we can easily check to be sure that the form is up to date by clicking the link "Verify Exemption Certificates".

If you have any questions please do not hesitate to contact me.
