

Essex County Community Resources

What we do:

Provide in-depth knowledge of Town demographics and geography,
Coordinate community outreach,
Develop projects with multiple stakeholders,
Research and project planning,
Consult with Towns, County, contractors and State on grants and regulations,
Complete grants and finance applications,
Prepare Requests for Proposals (RFP) and bid documents,
Collaborate with engineering and planning firms,
Manage contracts and multiple project schedules,
Financial management of capital projects,
Support compliance on environmental processes,
Process grant claims.
