

Looking for Child Care?
 Need Help paying for Child Care?
 Interested in becoming a Provider?

WE CAN HELP!

Essex County Department of Social Services is committed to assisting all eligible households by providing subsidized day care to our county residents. Economic times are difficult; let us help your family. We can help offset the cost of daycare while you attend work or school.

Don't Delay:

- There is no cost to apply
- Simple start to finish application process
- Keep your existing provider
- Enhance care for your child (ren)
- Put some cash back into your family's pockets
- Reduce day care costs to as little as \$1 per week
- Commuting time is covered
