Essex County Transportation
PO Box 217
Elizabethtown, NY 12932

Dear Resident,

We are inviting you to take part in a short survey to collect information about existing and potential riders of the Essex County Public Transit System. The information collected will help determine new route additions and to make sure we are meeting the existing and future needs of Essex County residents.

One of our most recent proposed routes is to offer an option for individuals to gain access to healthy foods in the Ticonderoga area at the Senior Nutrition Site and/or by shopping at Walmart.

The proposed shoppers/lunch route would leave Elizabethtown mid-morning and pick up interested riders along the way to Ticonderoga. If you were to opt for shopping at Walmart, you would be dropped there at 11:45 am. The bus would drop riders interested in lunch at the Nutrition Site by 12 noon. The bus would then pick you up at whichever location you are at 1-1:30 pm(?) and bring you home on the way back to Elizabethtown.

We appreciate your input. If you need help completing the attached survey, or have questions, please contact our office at 800-914-9266. This survey is also available on our Essex County Transportation website.

Sincerely,

Doreen Abrahamsen
Transportation Coordinator
