The Housing Assistance Program of Essex County (HAPEC) is working with New York State Homes and Community Renewal to administer a new flood relief repair program in Clinton, Essex and Hamilton counties.

Governor Kathy Hochul [announced the program in a press release on August 8, 2023](#). Up to \$3 million in funding is available for emergency flood repair assistance for low- and moderate-income homeowners in several New York counties.

Applications will be accepted beginning August 11, 2023 until funding is expended.

HAPEC executive director Megan Murphy is available for interviews.

Interested applicants should contact Jennifer Smith at HAPEC at (518) 873-6888 or jennifer@hapec.org
