

PUBLIC HEALTH FELLOW I (Program and Organizational Management, Nutrition, and Food Security):

In August 2024 a cohort of NYS Public Health Corps Fellows will be mobilized across New York State to:

1. provide critical support and services to the New York State Department of Health, local health departments (LHD), and community-based sites in response to both current and future public health emergencies
2. build effective communication and messaging throughout the State to support key strategies addressing public health efforts
3. facilitate connections among the community-level public health stakeholders required to strengthen and sustain public health learning and action partnerships

Essex County CCE is excited to be the host organization for a Public Health Fellow. Join our motivated staff and work on a wide range of responsibilities including program delivery and working side-by-side with staff focusing on nutrition and food security.
